

RECOGNIZE, HONOR, INSPIRE

...and make a *difference* doing it

Sponsoring a Volunteer NH event, such as the Spirit of NH Awards, provides you the unique opportunity to connect with the greater New Hampshire community, to build brand awareness to our **largest and most diverse audience**, and to show your company's support of an important cause: volunteerism and service throughout NH!

Demonstrate your company's devotion to service and to New Hampshire's volunteer and non-profit sector. Come to our event and network with other socially responsible businesses and organizations in NH. Come to the awards ceremony and see just how much NH citizens are doing to make our state a better place to live. Grow your company's reputation throughout New Hampshire as a supporter of volunteerism.

Whether it's a *speaking* opportunity, being included in a *press release*, being highlighted on Volunteer NH's *website*, or simply getting your logo in the *program*, there are plenty of opportunities available for a sponsor of this event. We will provide exposure in return for your support of service.

A time of recognition, honor, and inspiration

ABOUT THE EVENT

The Spirit of NH Awards are held each year to recognize individuals, groups, nonprofits, businesses, and educational institutions that volunteer and promote volunteerism throughout the Granite State. At the awards ceremony, hundreds of people gather to honor those who have gone above and beyond the call to serve, and to be inspired by their stories.

SPOTLIGHT ON SERVICE!

Part of our important mission is not just to promote volunteerism and service, but to honor and thank those who do important work within our communities. This event spotlights the unsung heroes among us, and shows just how necessary volunteerism is for New Hampshire.

The ceremony includes:

- *A diverse audience of over **800 people** from all over NH.*
- *Individual recognition for each awardee with a brief description of his/her service activities.*
- *A chance to meet with other socially responsible businesses as well as individuals who believe in the importance of volunteerism.*
- *The opportunity to gain inspiration and ideas from other's service!*
