

## NH Volunteer Engagement Mini-Grant Budget - **SAMPLE #2**

In the orange cell that says "Select Funding Purpose Here" use the dropdown to select the funding purpose indicated in your application. **You may only choose ONE funding purpose.**

Below the indicated funding purpose, provide a list of items that you are proposing to purchase for the project described.

If you anticipate that the total project will cost more than the grant being requested, you may include all costs. The remaining portion will be your organization's cost share.

Add/delete lines as necessary. Only enter information in cells highlighted in gray.

In the cell labeled "Mini-Grant Request", indicate the amount of funds being requested. This must match the amount indicated in the application narrative.
